

Thousands Open Lake County Fair

Thousands of Lake County residents trooped the varied exhibits and observed the handicrafts of 1300 4-H Club members in what officials predict will be the most successful fair in county history.

The 33rd annual Fair and 4-H Club Show at the Fair Grounds near Grayslake opened its five-day run Wednesday to record crowds.

High in interest yesterday was the all-day horse show starting at 10 a.m. and capped with the evening's talent show performed by more than 200 4-H youths.

Outstanding in activities today were the carnival atmosphere of the huge midway with its booths and thrill rides, some 2,000 exhibits ranging from agriculture and animal husbandry through homemaking and automotive.

A rodeo staged by the famed Calzavara Bar M ranch at 8 p.m. will climax today's activities at the Fair. This will be followed by a colorful fireworks display.

Activities tomorrow will feature a dog performance show at 9 a.m., judging of beef cattle and swine and the evening rodeo.

The all-Shetland pony show will be a highlight of Saturday activities of the Fair. The show, starting at 1:30 p.m., will feature many of the outstanding ponies and drivers in the area. Also included will be a procession of carriages and precision driving. 1000 ponies will be in the show.

A livestock auction will be held Saturday at 4:30 p.m.

Sheep judging is on Saturday's agenda, and the rodeo fireworks spectacle will close out the day.

Action and excitement is in store Sunday when the open class horse show starts at 9:30 a.m. Performance classes, featuring top riders and mounts, will start at 1 p.m. and continue throughout the day.

The Lake County Fair Grounds are located on Rt. 45 1 mile east of Grayslake.

Kenosha County Fair Set for Four-Day Run

This year's 41st annual Kenosha County Fair at Wilmet, Wis., Aug. 10-13, will place new entertainment emphasis on the stirring music of bugle corps and bands.

The Fair Festival of Music events will be a feature of the final three days of the annual exposition.

A special spectacle of the four-day show at Wilmet will be the Friday evening drum and bugle corps competition, offered for the first time this year as an admission-free program for all fair-goers.

Current entries in the Aug. 11 drum and bugle battle of music and marching which begins at 7:30 p.m. are the Kenosha Shoreliners, the Racine Boy Scouts, the Cedarburg Thunderbolts, the Norwood Park (Ill.) Imperials, the Racine Kitties and the Mercy High Corps, Milwaukee. As a finale, the massed drum and bugle contestants will present a marching and music demonstration.

The Kenosha Shoreliners will be joined by city and county band units for the annual big fair parade on Saturday, Aug. 12, beginning on the fair grounds at 10:30 a.m.

A special feature of the final day of the fair, Sunday, Aug. 13, will be two concerts played on the free acts platform by the Bristol Band, famous in southeastern Wisconsin as the "Depression Band," from its origin 27 years ago as a solution for musicians from Kenosha and Racine counties and northern Illinois who had, literally, nothing to do.

The Bristol band tours during the year, but is always back in time for a series of parades and concerts in this area during the summer months.

The Danes and July 4

A thankful Chicago doctor, an immigrant from Denmark, in 1912 laid the foundation of what is now probably manifesting itself in more goodwill than many of the billions of dollars we have scattered both wisely and wildly over the world since waning days of World War II.

In that year the doctor provided funds for the purchase of property in his former homeland whereby Danes might join with this country in observing July 4, the anniversary of our Independence.

Since then, each year on July 4 thousands of Danes gather at Rebild in Denmark.

By custom, the Danes extend an invitation to a prominent American to give the Independence Day address.

This year the honor went to Walt Disney, creator of Disneyland and master producer of movies based on beloved children's stories.

Addressing the thousands upon thousands of Danes assembled for the July 4 observance at Rebild, Disney cited the significance of the day and the role immigrants to the United States has played in its development. Said Disney:

"I have known many Fourth's of July, but never have I observed my country's birthday more significantly than today. I think it's a wonderful thing that Denmark should mark our Independence Day far from American shores."

These and other remarks by Disney were carried throughout Denmark by the Torsdag Den, leading Danish newspaper, and related to The News by Peter Toft, of Antioch, a resident of this country since 1908, when he arrived from his native land of Denmark.

The Chicago doctor's small investment in 1912 has evidently returned itself manyfold over the years in helping to cement a warm bond between this country and Denmark.

School Budget Time Nears

The Board of Education 117, Antioch Township High School, has tentatively set Aug. 30 as the date for public hearings on the proposed budget for the coming year.

The date is a significant one for residents of the area as it gives them an opportunity for a first-hand accounting of how the major portion of their tax dollars will be spent.

Local taxpayers are somewhat more fortunate than their colleagues of many other districts. The board operated in the black last year with indications pointing to another "good year."

This isn't a common occurrence in these times of burgeoning school populations and expenses. It is an achievement which speaks well of the board.

Adding an appeal for residents to take a more active part in school activities and planning is Dwight Ingram, recently elected president of the Lake County Civic League. Ingram said:

"The time to study school operating costs is right now. When budgets are announced in September it is too late to do anything about it."

"There is no mystery about school finances," he said. "You do not need to be a public accountant or a tax expert. Any good citizen can analyze his school district's budget fairly. Just inform yourself about these things: judge the quality of the teaching; learn if the classes are too big; look around to see if the school plant is used efficiently; are there too many luxury subjects, such as art, music, dancing, etc. Look into bond interest costs to see if they are in line with sound business practice."

"The right suggestion at the right time frequently leads to substantial tax money savings," he concluded.

Courthouse Notebook—

BY LOU DURKIN

Republican leaders have recently become aware of the pressure the Lake County Democratic Club is putting on state payrollers in the county to "kick in" to the party coffers in appreciation for their jobs.

Some GOP leaders are throwing up their hands in horror at this nasty habit and while it is fitting that they should be showing concern they are using the wrong reason for being upset.

Any political payroller should be aware that he is holding the job through political influence and political activity and he should be willing to contribute to the party organization willingly.

If the party can't get support from the payrollers on a voluntary basis it seems reasonable for them to exert a little pressure to get the necessary wherewithal to keep the organization going.

The Democrats' recent acceptance of this political fact indicates a growing awareness on their part that it is time to develop a two-party system in Lake County and an awareness that with a little planning and organization they have a chance to break the Republican monopoly on county offices.

This should be a matter of grave concern to the Republican leaders in Lake County and instead of adopting a holier-than-thou attitude they should be ready to fight fire with fire, or greenbacks with greenbacks.

A growing weakness of the Republican Party in Lake County is the tendency on the part of many political payrollers to ignore their responsibility to the organization which has provided them with jobs.

All too often candidates find themselves talking to empty chairs while county, state, and city employees who owe their jobs to the Republican Party are sitting at home watching television.

Political patronage is the cornerstone of any political organization and unless it is properly dispensed

to loyal enthusiastic party workers the whole structure of the organization is weakened.

Robert J. Milton, chairman of the Lake County Republican Central Committee, is using a more genteel approach to raise funds for the county organization.

Instead of putting the arm on workers for outright donations, Milton is planning another Republican Day golf outing with a \$10 clout for the ducaus.

The golf outing will be held at the Chevy Chase Country Club, Rte. 21 in Wheeling on Wednesday, Aug. 30, and all good Republicans are expected to attend.

This is a slightly less painful way of extracting tribute from the payrollers and officeholders and it will be interesting to see how many of them attend or at least buy tickets for the outing.

Carl Berning, now serving his second term as chairman of the Lake County Board of Supervisors, has come up with another gimmick to strengthen county government.

Berning, who will probably go down in Lake County history as one of its most progressive chairmen, has the unique idea that people should know more about their county government and should be more interested in it.

Since few people come to the government to learn about it, Berning has decided to go to the people and has prepared a speech that he is anxious to deliver to as many organizations in the county as possible.

This is a rather courageous action on his part since he will be subjected to more brickbats than bouquets, but it is something that is long overdue.

Program chairmen for civic and service organizations, PTA's, and other groups can arrange for a report from the chairman by contacting him at the courthouse.

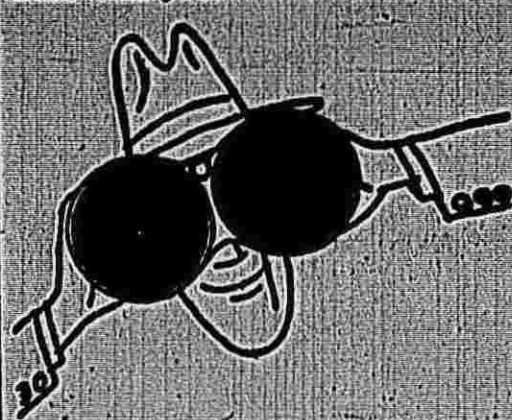

We could never forget it. Anyone who causes injury to another with an automobile feels guilty for a long, long time."

Some Revolutionary Thinking

Two recent news events threaten to restore to highest pitch our somewhat tarnished outlook on the "duo process of law, and right over might; love conquers all" and many of those old chestnuts which we've clutched tightly to our bosom for, lo, these many years. May we share them with you?

First—Secretary of State Charles E. Carpenter, that amiable, genial, perennial office holder who has the best publicity staff in the nation and who never seems to be defeated, and when longer sentences are written we'll write them, has just announced that his office has returned to the state treasurer more than one million claims of the 1959-1961 budget appropriation.

This means, purely and simply, that Charlie hasn't spent all the wherewithal allotted to his office and by the graces is returning it into the state kitty for use elsewhere.

Now, if this is a little slow getting through, let's look at it from the personal angle. Just suppose you gave the missus twenty-five bucks to buy groceries for the next two weeks. By good judgment and sharp trading, she makes the needed purchases for 19, and gives you the remaining six for you to use just any old way you see fit.

You can see where all this might lead. Guys have reportedly gone berserk for less or at least down to the corner pub in a state of high excitement.

But just as sensational in its way is the attitude of the city of Newburgh, N. Y. Newburgh's city manager has decreed that the welfare rolls are going to be cleared of—

Bums... professional baby producers... and other ne'er do wells who feel that they're entitled to bed and board and few shekles in their jeans whether they work for it or not.

It seems that City Mitchell, who became city manager there last October, recently cast a jaundiced eye over the relief rolls. He found that Newburgh's welfare expenses had grown larger than the combined cost of police and fire protection. Zounds! He looked deeper.

(1)—Found several congenial type ladies had been delivering offspring with surprising regularity without benefit of marriage and were actually drawing more in dependent allotments each month than the salaries of several policemen with a like number of children, born and raised in accordance with commonly accepted standards.

(2)—Found characters in a high state of physical perfection who

would as leave draw their checks each week from the welfare department as go out and earn through sweat and toil.

(3)—Found the welfare population of the city had risen astronomically. Evidently word was getting around that Newburgh was a soft touch. All one needed was strength to make it down to the dole office and receive a check.

City Manager Mitchell decided to do something about this. He has ordered:

(1)—Congenial ladies who continue to deliver children without benefit of husband will be cast asunder. No more bastardy for profit.

(2)—Able-bodied males on the dole will be offered work of a public service nature for the city... cleaning up, trimming trees, etc. If they refuse, off the dole.

(3)—Mitchell is evidently depending on national publicity to spread the word among moochers that the town is no longer a haven for bums. This might discourage some from migrating to what has been up to now a Utopia.

Now one would think City Manager Mitchell would receive plaudits for his break with the past and the belief that everyone able should abide by certain minimum moral codes and a belief, however weak, that one must do at least a minimum of toil for a living.

But no. Mr. Mitchell is being bugged at all angles by the mayor, William Ryan, the City Welfare Commissioner John O'Donnell, and one Sears Hunter.

Mindful of such thinking in Lake County, we might mention that Ryan is a Democrat and Sears Hunter is the Orange County Democratic chairman.

The welfare commissioner just resigned, evidently feeling that he probably would have to go on the dole shortly himself for lack of work.

We haven't ascertained Mr. Mitchell's politics. But we're on his side. With this kind of revolutionary action, Mr. Mitchell and our own Charlie Carpenter may make "christians" out of many of us.

Letters to The Editor

SIR: We read with interest the editorial about Antioch's "speeding firemen," (July 20, page 2). We appreciate the concern you show in the safety of our children and heartily agree that "speed demons" should be controlled.

Now, let's focus our attention on the real speeders—not our firemen whose past record is unblemished in spite of citizens who ignore fire signals and refuse right of way to emergency vehicles, but on unapprehended teen-agers and irresponsible adults.

We, as parents, will teach our children as much about safety as we can; we will trust our volunteer fire department with the safety of our homes and children, and hope that our village will control irresponsible traffic violators.

Outline Plan for Nurse Scholarships

Scholarships in nursing worth from \$2,000 to \$3,500 are available for men and women between the ages of 17 and 35, according to William E. Skadden, health educator

on the staff of the Illinois Department of Public Welfare.

Skadden disclosed the scholarship program at a meeting July 17 in Waukegan at which those interested in nursing were briefed on the state-aid plan. The meeting was held in the office of W. C. Petty, Antioch, county superintendent of schools.

Applicants must be citizens of the United States and live in Illinois, it was pointed out. They must be accepted by an approved school of nursing in Illinois or other midwest states.

Each student signs an agreement with the Illinois Department of Public Welfare to accept, upon completion of nurse education, employment as a staff nurse at full salary in one of the state psychiatric hospitals or schools on the basis of one year of employment for each year of scholarship.

Student Essays Back Traffic Safety Drive

In its effort to curb automobile accidents, the Chicago Motor Club will honor two Illinois high school students for essays on traffic safety. The two to be honored are Nancy Jacquet, Pontiac Township High School, and Larry Harris, Joliet Township High School. They were presented with plaques at the Illinois Editors' Safety Seminar in Springfield recently. Robert F. Greenaway, Seminar president, made the presentation.

Miss Jacquet wrote on the regrets of a driver involved in a personal injury accident. She wrote in part about a victim and a driver: "Never again would she be able to walk or even open her eyes. She was completely paralyzed."

"My speeding had ruined her life. But she is no less fortunate than I. My sleep is restless. Concentration is impossible. Speed has ruined my life with the mental torture of regret."

"I was at the wheel."
Larry Harris wrote, in part: "Probably no word of caution has less effect on the average person than a reminder that he should exercise caution behind the wheel of an automobile. This is the price paid for endless repetition. Yet when any of us see an accident that has involved injury or loss of life, we are immediately sobered and become extremely cautious in our driving. After a few miles, however, the incident has been shoved to the back of our minds and we are thinking of something else. One important thing does not usually occur to us as the impression is being forgotten—if we had caused or had been involved in an accident,

Participants Turn Back the Clock At 50th Anniversary Celebration

By Mrs. Pearl Kapell
CHANNEL LAKE—There was a breath of nostalgia in the air at the anniversary party on Sunday, July 16, given by Mr. and Mrs. Harry Riess and Mrs. Carl Kessler. Guests were invited for coffee from 10:30 a.m. to 12:30, but many lingered into the afternoon, to look at old pictures, marvel at the changes of time, and wonder where the years have gone. And perhaps many wished they could turn back the clock.

The occasion was the 50th anniversary of the building of the "old Lowrey cottage," now the home of Mr. and Mrs. Harry Riess and Mrs. Carl Kessler. The guests were people who lived in the area at that time. Many who were children are grandparents now. Some still live in the neighborhood and many have moved away.

The cottage was built in 1911 by Mr. and Mrs. M. J. Lowrey, parents of Mrs. Riess and Mrs. Kessler. Assisting as hostesses were the Riess daughters, Mrs. William Brook, of Antioch, and Mrs. Carl Abt, of Detroit, and Mrs. Kessler's daughter, Mrs. Joann Brooks. About 50 guests were present.

Among guests were Mr. and Mrs. Howard Lowrey and son, Ralph of Itasca (Howard is the grandson of the builders of the home and nephew of Mrs. Riess); Howard's mother, Mrs. Ralph Lowrey, Sr., of Oak Park; the Harold Ebermans of Western Springs; James Greenlee, Sr., of Fort Lauderdale, Fla.; Mr. and Mrs. James Greenlee, Jr., of Elmhurst; Mrs. Florence Galashian and Mr. John Grandland of Maywood, a brother and sister who many years ago had a cottage near the Lowrey home; members of the Brett family—Mr. and Mrs. John Rackow (Janice) of Barrington; Mrs. Norman (Eleanor) Olsen of Chicago, and Mr. and Mrs. Dick (Marguerite) Richards of Oak Park; Violet Christensen of River Forest; and many old friends who still live in the area, including the Elmer Ebermans.

After the guests for coffee and do-you-remember hours had left, a family dinner was served relatives.

Mrs. Margaret Brady, of Melbourne Beach, Fla., arrived in Channel Lake July 19 to spend a few days with her sister, Mrs. Paul Chase, and visit old friends and relatives in the area. A family picnic was held in her honor at the Tom Chase home on Sunday. On Tuesday, Margaret left for Los Angeles, to visit her son, Ted, and his family.

A small group of friends gathered at the home of Mrs. Mary Peck on Tuesday, July 18, to wish her Happy Birthday.

Mr. and Mrs. Henry Youngquist and children, Warren, Bobby, Keith and Paul, of Waverly, Ia., are spending three weeks at the home of Mr. and Mrs. Ed Baumann, Lake Avenue. Mrs. Baumann and Mrs. Youngquist (Tess and Jean) are sisters. On Sunday, their mother and father, Mr. and Mrs. Eric Nordstrom, and brother, Mr. and Mrs. Russell Nordstrom, of Chicago, spent the day at the Baumann home for a small family reunion. Ed Baumann and Hank Youngquist flew to Canada last Friday for a week of fishing.

"Chip" Eberman is expected home from the Merchant Marine Academy in New York by his parents, Mr. and Mrs. Elmer Eberman, on Aug. 5. He will have about a month at home before reporting for sea duty. The cadets from the Academy divide their time between sea duty and study at the school.

Dick Harland and Roger Eberman brought home a good catch of wall-eyes from their week-end fishing trip near Menasha, Wis., last week-end.

Belated congratulations to Mr. and Mrs. Norman Heimbrodt on their 25th anniversary on July 4. The Heimbrodts entertained a group of their friends at an open house on the occasion.

Mrs. Cathleen Pfau, mother of Lucille Eberman, is hospitalized in Elmhurst.

Ray Van Patten, Jr., is in St. Luke's Hospital, Milwaukee, following an injury to his hand. Ray is studying mechanical engineering at Marquette University, and was working with machines as part of

the practical experience required when he was injured.

Mrs. Frank Saubert, Woodcrest subdivision, entertained several ladies from her card club July 20. Mr. and Mrs. Vern Heath and Mr. and Mrs. Donald Heath recently spent a week visiting in Minneapolis. Vern and Mary spent the time at the home of Vern's brother, Henry, and did a lot of fishing in the lakes around the city. Don and Ruth visited Ruth's mother and grandparents. Ruth is one of 10 brothers and sisters.

Dorothy and Tom Chase and children, Harriet Rinyard and Susie and Bruce McKinney, spent a week vacationing at Rib Lake recently. While there they visited Dorothy's mother, Mrs. Louis Galetka, at Ladysmith, Wis.

Mr. and Mrs. Frank Saubert entertained Mr. and Mrs. George Houndt and their eight children July 13. The Houndts are from Villa Springs.

The Brownies of Troop 177 made a tour of the Zion cookie factory on Tuesday.

Mr. and Mrs. John Diershow and children, Barbara and Douglas, of Sarasota, Fla., are spending several weeks as guests of Mr. and Mrs. James Fridell. Mrs. Diershow is Mrs. Fridell's niece. On Sunday the Fridells' grandson, Robert, and a host of his young friends "camped out" on the Fridells' lawn for a day of swimming and picnic lunches.

375 Scouts from Area Attend Second Camp Period at Ma-Ka-Ja-Wan

The second two-week camping period opened last week at Camp Ma-Ka-Ja-Wan with campfires attended by the 375 Boy Scouts with their home Troops. The camp, operated by the North Shore Area Council of the Boy Scouts of America, is located near Antigo, Wis., on a 720 acre tract of land around Spring Lake. The entire camp is divided into two identical camping areas known as Camp East and Camp West.

Larry Smith, director of Camp West, is in charge of the eight chartered troops in his area. "Camping becomes a real learning experience when the Scouts spend two weeks in close contact with their home troop and their Scoutmaster," Smith said.

The director of Camp East, James Smith, explained that his camp also serves four provisional troops, made up of Scouts who come individually and form troops for the camping period. "In this way," he said, "we are able to provide a program for all Scouts who want to attend camp."

Each troop is in charge of its own program for the period. The camp provides activities in waterfront sports, handicraft, nature, field sports, and Scoutcraft. Canoe trips down the Wolf River are usually a part of the program for the troops. Hiking, long a part of Scouting, is

encouraged along the many trails out of camp. Scott McCullough is in charge of coordinating activities of the troops in each camp.

The total operation of Camp Ma-Ka-Ja-Wan is under direction of C. J. Gribble, director of camping and activities for the North Shore Area Council. The camp is equipped to handle 450 Boy Scouts at one time, which makes a year-round job of preparation. Another feature of the camp is Family Camp, where

wives and families of Scouts can spend the two-week period. Marlon Smith directs activities in Family Camp.

5,500 piano keys were struck in 4 minutes 39 seconds by a concert musician recently, during one selection—each note requiring 3 distinct moves. This 24-note-per-second average meant at least 12 movements per second.

See Progress In Battle on Dutch Elm

By Leland C. Smith
Horticultural Agent

Last week researchers showed in Milwaukee that Dutch elm disease will have new and better controls in the future.

University of Wisconsin researchers, Dr. D. M. Norris and Dr. E. B. Smalley, discussed their findings with city foresters, county agents, tree experts, town chairmen, and park superintendents at the Whitehall Park and Municipal Nursery.

Norris said six materials have given good control as systemic insecticides which control the beetles that carry the Dutch elm disease fungus. The materials are injected into the elm trees in the spring before the beetles start feeding on elms. One of these materials will have limited development next year and will be used in some cities on extensive trials.

Smalley said seventeen compounds are being used to control the Dutch elm disease fungus in the elm trees. They treated 1620 elms this spring with materials. The results will be determined later this summer. He also said that the spread of the disease through root grafts is believed to be more a factor in the spread of Dutch elm disease than originally thought. Work on trenching is being done to prevent root grafting. Making a trench four feet deep between a healthy elm and one that is being removed because of disease should stop the spread by root grafts.

George Hafstad of the Wisconsin Department of Agriculture reviewed the progress of the disease in the state. He also told of Rockford's problems where nothing was done to control Dutch elm disease. They estimate it will cost \$2 million to remove dead elms in Rockford. For that money he said Milwaukee could control the disease for 195 years.

Hafstad said good spraying is still the best control. The new systems will not be ready for general use for two or three years.

Ordered to Trial On Conduct Charge

Harry W. Lake, 33, RFD 3, Antioch, has been ordered to appear for trial Sept. 19, on charges of becoming abusive to two patrolmen July 16 in Kenosha.

Lake pleaded innocent to the charge of disorderly conduct last week in Kenosha.

The Kenosha patrolmen reported Lake became abusive after they had halted his truck when he ran a red light. The officers said Lake became increasingly abusive after he had been told to drive on. They said he had to be subdued and resisted until lodged in a jail, and refused medical attention to a head wound.

Resident Among Six Hurt in 3-Car Pileup

William J. Rowe, 50, of Indian Point, Antioch, was among six persons slightly injured last week in a three-car accident near Lake Zurich.

Others injured were Lyle B. Broughton, Wauconda, driver of one car; Kathy Schuldt, 8, Lake Zurich, a passenger; and three passengers in a car driven by Jackie Williams, Chicago—Georgia Polk, Ethel General, and Joseph General, all of Chicago.

Deputies said Williams was driving south on Rt. 12 when Broughton's car came off the Old Rand Rd. cutoff and struck Williams' car which swerved into the opposite lane striking Rowe's car.

Oil Line Crews Work in Area

Pipeline crews were at work this week laying a section of line between Green Bay, Wis., and East Chicago, Ind.

The crews in this area were at the Wisconsin-Illinois border last week and were laying approximately two miles of pipe per day. They began work at the southernmost limits of Milwaukee and have a terminal point in Des Plaines.

Work is being done by the Houston (Tex.) Contracting Co., under contract to the West Shore pipe line company. Cost of the pipe line, part of a \$19 million, 200-mile project, is being underwritten by Standard Oil Co., Mobil Oil Co., Shell Oil Co., Texaco, Inc., Cities Service Oil Co., Pure Oil Co., Continental Oil Co., Ohio Oil Co., Clark Oil Corp., and Humble Oil Co.

The Houston Co. has 75-man crew working in this area. An initial crew clears brush and prepares the way for bulldozers which grade for trenchers. Trenching machines dig a trench five feet deep. The pipe is inserted and trenches backfilled.

of notifying parents and lecturing the culprit.

Lindenhurst police believe the new system will acquaint parents with all the facts of the offense including who were involved. They feel it will also serve as a permanent warning.

The reports will not be made public unless the act is of a serious nature, it was announced.

Nine such reports were mailed last week.

Troop 86 Scouts Spend 2 Weeks At Antigo Camp

Central High Registration Aug. 15-30

SALEM, Wis. — Central High School will open its annual registration period Aug. 15, it was announced today.

All new students, both freshmen and upper classmen, must report with their parents for interviews, with registration to be held from 9 a.m. to 5 p.m. each weekday.

Two evening sessions will be held from 7-9 p.m., Aug. 17 and Aug. 29,

for those unable to register during day sessions. Registration will close Aug. 30.

It was revealed that Central will continue to permit residents of the Somers and Pleasant Prairie townships to exercise option of sending children to high school either at Paddock Lake or in Kenosha.

However, officials pointed out that students from that area will have but one year of attendance available to them if Somers-Pleasant Prairie solves its high school problems by the required date of July 1, 1962.

At that time all students from that area attending Central for less than two years will have to transfer back to the local arrangement.

Summer Season Enters Full Swing; Parties, Visits High on Agenda

By Mrs. Bernice Bernau
Elliot 6-3449

Mr. and Mrs. Gerald (Ellen) Harsh of 60 North Fairfield Road and their two children, Lynda, 12, and Gerald, Jr., 8, have returned home from a week's vacation spent touring Washington. In Baltimore they visited Ellen's brother, Vern Rustad, and his family. In Vero Beach, Fla., they visited friends.

Linda Caldwell, 2118 East Old Elm Road, was guest of honor at a "Sweet Sixteen" surprise birthday party at the home of Mr. and Mrs. James (Babe) Hartwig on Sand Lake Road Saturday evening. The young guests were: Lorren Lee Lewis, Martha Bolke, Pat Lobrillo, Joe Downs, Rudy Jagelski, Bill Brendel, Bob Randall and Micky Caldwell from Lindenhurst. From Antioch were Cheryl Folbrink, Carol Fillatreault and James Burke. They played games, danced and had refreshments topped with a three tier birthday cake baked by Mrs. Hartwig.

The Caldwells want to thank the Hartwigs for the use of their basement, and for acting as chaperones. Mrs. Betty Ireland also helped chaperone the party.

Linda devotes three hours a day, three days a week to being a "candy stripper" at St. Therese Hospital. More young girls could follow her example, especially if they are interested in nursing.

Judy Spiegl was elected president of the Philatelic Society of Lindenhurst, at the July 12 meeting. Tony Haber is the secretary and Armo Sheppard, treasurer.

There are nine members in the club which meets every two weeks at the home of Mrs. Henry Weber, 2314 S. E. Thornwood Drive.

Twelve children attended Kathy Adcock's sixth birthday party July 14 for games, and refreshments. Her parents, Cecil and Harriet, gave her a wrist watch. Kathy has an older sister, Vynn, and a married sister, Mrs. Sharon Stark, of Norfolk, Va. The Adcocks live at 2319 S. E. Thornwood Drive.

Eighteen neighborhood children attended the birthday party to celebrate Nannette Spear's third birthday Monday, July 17. Cake and ice cream were served. Later the children played outside. The Bob Spears live at 415 S. Thornwood Drive.

Mr. and Mrs. John (Freda) Eakins and their three children, of Spokane, Wash., vacationed here with Mr. and Mrs. William Gawronski, of 2418 East Highland. They camped out on the way here and on their return home. While here they went to Drury Lane Theatre and saw "Pleasure of His Company" and dined at the Club Martinique.

Mr. and Mrs. Richard Zegan and their two daughters, Suzanne and Margaret, of 2423 Sand Lake Road, spent part of their vacation visiting Bernice's parents, Mr. and Mrs. Al Deauchamp, in Argusville, N. D., also her grandparents in Fargo, N. D. They visited other relatives in Minneapolis, Minn. They went by train.

Mrs. Rose Theresa Paizer, 57, of 501 Lorraine Ave., Waukegan, fourth grade teacher at the B. J. Hooper School, died unexpectedly July 17, in Victory Memorial Hospital. Pupils in her 1960-61 class paid their respects by sending a vase of carnation flowers.

Paul and Betty Ireland of Old Elm Road spent their vacation visiting Betty's parents, Mr. and Mrs. William Wisuri, in Iron River, Mich. Their 11th wedding anniversary, July 15, was celebrated with the family there. They have four children, Terry, Ruth Ann, Michael and Bobby.

Loren Lee Lewis and Mary Anne Smith, Lindenhurst 4-H Daisies Seniors, were in the honor group last Thursday at the Farm Bureau when they received blue ribbons in the "You Make Your Own Clothes" group. Also winners of blue ribbons were Sandra Hertel and Judy Spiegl, in the advanced class.

In the "You Learn to Sew" group, Carol LaBarbera and Linda and Jean Bywell, first year girls, received blue ribbons for their

skirts. Clothes were judged on construction, fit and suitability.

Parents are invited to attend "Achievement Night" Aug. 2 at 7:30 p.m., at the home of Mrs. Lorraine Lewis, 222 Valley Drive.

Mrs. Andrew (Edith) Westberg is leader of the girls.

Linda Lance, Ruth Anne Ireland, Suzanne Drago and Sandra Golden are among the girls who are spending a week vacation at Northern Grace Youth Camp, in Gilette, Wis.

Mrs. John Peterson, of 2413 S. Thornwood Drive, was taken ill while riding on a see-saw at Illinois State Park last Tuesday with her husband, and somersaulted forward. The next day x-rays revealed muscle strain, so she now has to wear an elastic brace and remain in bed for five days. While she was laid up, neighbors took care of her four children, did her washing, ironing and cooking.

Members of the Lindenhurst Garden Club living in Unit 18 gave a hamburger, potato salad supper for the benefit of the Countryside Hospital Saturday evening in the John Peterson garage on S. Thornwood Drive. Ladies on the committee were: Mary DiSilvestro, Gayle Schimpf, Lois Ringsteyer, Mary Stangel, Joan Bourque and Lois Peterson.

Members of the Lindenhurst Garden Club living in Unit 17 gave a bacon and egg breakfast Sunday morning for the benefit of the Countryside Hospital. That rain almost kept the breakfast from being a success. The weather caused a delay and serving was from 11 to 1 instead of 10 to 12. Picnic benches were set up on Mrs. Hubert Bechtol's driveway. Eggs and bacon were cooked on a grill in the driveway by Bob Meier and Bill Shutt, with Bud Barnes handling the fire. Bernice and Warren Frontzak and Lou and Ruby Swoboda came for breakfast and were put to work. Warren was in charge of the biscuits. Zelma Bechtol, Lorraine Schutts, Dolores Meier and Diana Barnes were kept busy delivering orders to folks who sat in their cars and to a few homes. They all did K.P. duty. A special thank you to the party who wishes to remain anonymous for donating the fresh eggs.

Mr. and Mrs. Hubert Bechtol, of 2200 East Witchwood Lane are grandparents for the third time. Their daughter, Mrs. Bill Ulatowski, of Chicago, gave birth to her third daughter, Lori-Jean Sunday evening at the Norwegian American Hospital. Judy's other two little girls are Lynda 2, and Candy 1. The Bechtols are taking care of them while Judy is in the hospital.

The Lindenhurst Garden Club invites all who intend to enter a flower, plant or display in the annual Flower Show Aug. 12, to attend a meeting Monday, Aug. 7 at Hooper school. Mrs. Curtis Billings, of Libertyville, will discuss flower arranging and care of plants. She has been an amateur flower show judge for seven years and has been in garden clubs for 15 years. There will be an admission charge for this meeting only. Tickets may be purchased at the door or from any member. The meeting will start at 3 p.m. Anyone wanting a ride may call Mrs. Bechtol, El. 6-5215.

The Lindenhurst Junior Police Club is having a paper drive, so don't burn or throw away those newspapers between now and Aug. 12.

All 12 members of the "Night-Owls" Canasta Club and two friends spent Saturday evening dining at the Martinique Club in Chicago and later saw "Pleasure of His Company" at Drury Lane Theatre downstairs.

Attending were Dolores Povlaitis, Betty Janega, and Pat Verba, who drove. The passengers were Georgina Sutherland, Ing Spiegler, Ellen Harsh, Pat Schartz, Mel Uebele, Helen Mindak, Bert Harceg, Ida Christianson and Ruth Burke. Two guests were Florence Gruszczyk, of Hickory Court, and Dorothy Moe, of

Mundelein, who formerly belonged to the club when she lived here.

John Sutherland and John Gibbons attended a meeting of the State Tax Payers Voter's League Sunday in Round Lake. They were told of preparations for a booth by that group at the McHenry and Lake county fairs. Residents may sign petitions protesting the personal property tax at these booths.

There will be no meetings of the Altar and Rosary Society of Prince of Peace Church this month. The chairman, Mrs. Joseph McGrath and co-chairman Mrs. Ray Coluccio, thanked all for making the solar bar luncheon and card party a success last Wednesday.

Residents are invited to attend a smorgasbord dinner and festival at St. Peter's Church in Antioch, July 28 through 30. The dinner will be served on Sunday from noon until 6 p.m.

Teen-ages of Prince of Peace Parish will hold a bake sale next Sunday after every mass. Cakes and cookies will be home baked by them.

Tonight at 8 p.m. there will be a meeting of all ladies who will work at the festival dinner at Prince of Peace Church Sunday, Aug. 6.

Ivy Cancer League No. 15 will not meet this month due to summer vacations. They are contemplating changing the date of their meetings from the fourth Friday to the third Thursday or the fourth Monday. Members are asked to call Lu Stanley and inform her which day suits them best.

Mr. and Mrs. Ron Roth, of 1710 East Hazelwood Drive, gave a supper party Saturday evening to celebrate grandfather John Roth's 84th birthday. Guests who joined in the

celebration were Ron's parents, Mr. and Mrs. Peter Roth, his aunt and uncle, Mr. and Mrs. Joseph Eitang and their daughter, Miss Josephine Eitang.

Wagner Repeats as Kenosha Open Golf Champ

Breaks Own Record with 278 for 72

John "Pick" Wagner, Spring Valley pro, won his second straight Kenosha County Open championship last weekend with a record 72-hole total of 278 strokes.

He was four under par for the four-day tourney and bettered the record 72-hole 290 which he established in winning the open last year.

The two runners-up—Dick Adamson and Mike Smolinski—both came in under the record 290 in trailing Wagner with counts of 284 and 287, respectively.

Playing virtually flawless golf, Wagner had his own built-in fan club in the form of Mrs. Wagner and their seven children.

The Spring Valley pro treated galleryites to some topnotch golf during the four-day event. He shot a blazing 69 on his home course Sunday, July 16, a new tourney record at Spring Valley, following a 70 at the Petrified Springs course near Racine on July 15.

At Maplecrest Saturday, Wagner shot another 69, three-under par, while his closest rivals were in their 70's. At the Kenosha Country Club Sunday, he matched par with 70 to take the crown.

Adamson, 18-year-old Notre Dame University golfer kept the match interesting and was but six strokes down. He averaged 71 a round.

Mike Smolinski, 22-year-old star who won the open in 1959 and came in fourth last year, came in a strong third.

In the final round Sunday Wagner hit 15 of 18 greens in regulation while Adamson and Smolinski hit 13 each.

Fourth was Leo Gallo with 288. Dick Singer was fifth at 300 and pro Fred Moeller sixth at 301.

Dr. Joe Adamson, Dick's father, regained the senior title he won in 1959 by edging Bob Whyte, 1900 winner, by one stroke. He stood at 160 for 36 holes to 161 for Whyte. Tom Henkel was third at 162.

Nick Perri, 23-year-old dental

student at Marquette U, took the Class A tourney with 76 at Maplecrest and 75 at Kenosha.

Bob Schuetz topped the Class B with rounds of 76 at Maplecrest and 83 at Kenosha.

Set Regulations For Fox Lake; Urge Compliance

Regulations designed to protect the interests of fishermen, boaters, skiers, and swimmers in Stanton Bay of Fox Lake were determined by State Boating Sections officials of the Illinois Department of Conservation after a public meeting in the Fox Lake City Hall recently. William T. Lodge, director of the Department of Conservation, announced today.

"The provisions governing the use of Stanton Bay will be strictly enforced," Lodge said.

—A "no wake" area, encompassing practically all of the bay as marked a few weeks ago, will be in force to benefit anglers during the main fishing season, from the first Tuesday following Labor Day until Memorial Day.

2—Beginning on Memorial Day the buoys will be shifted so that approximately a 300 foot wide strip will be retained for fishing along the west shore of Stanton Bay to about the southwest corner.

3—Another 300 foot wide strip on the east shore will start adjacent to Ray's Resort, north of the Fox Lake Hills swimming beach, and run south along that shore to the southwest section of the bay, then run west along the south shore and taper out to about a 100 foot wide strip near the southwest harbor entrances.

Lodge said that the major part of the center of the bay would be open to boating and skiing from Memorial Day through Labor Day.

Adding a word of caution, Lodge said, "Skiing in the shallow water of this bay is not recommended by the Conservation Department, inasmuch as the bay averages only about three feet in depth; and all authorities and associations pertaining to the sport recommend a minimum of five feet of water for such activities."

Lodge said that he hoped everyone would cooperate to insure the fullest enjoyment of Stanton Bay for all interests.

Rain Closes Race Features At Speedway

WILMOT, Wis.—The long-promised rain brought relief to farmers throughout the area this weekend, but dampened the enthusiasm of racing fans here Saturday night by causing cancellation of the feature and semi-feature events at the Kenosha County Speedway.

However, the interlude promises to result in what speedway officials predict will be one of the top evenings of racing of the season here next Saturday. The two features—35 laps and 20 laps—will be run then in addition to the regularly scheduled card.

The rain obliged by holding off during qualifying rounds and several lap features last Saturday when Don Corse, West Allis, turned in the fastest qualifying time, a speedy 55.32 mph average.

Jack Radtke, Grayslake, set the fastest racing time in the winning fourth 10-lap heat with an average of 52.08 mph. Rod Fuller and Milt Curcio, both of Racine, finished behind him in that order.

Second fastest of the evening was the 51.24 mph average set by Gord Gorman, Libertyville, in the third 10-lap heat. He finished ahead of Lee Westlake, Muskego, Wis., and Darv Nissen, Zion.

Don Koelling, Wheeling, sped around the oval at a 50.56 mph average to win the second 10-lap heat. He was followed by Dick Vanderpool, Grayslake, and Ted Schuster, Kenosha, in that order.

The first 10-lap heat was won by Ed Irving, Waukegan, who set a 50.08 average. Second in this event was Bill Neuhaus, Kenosha, followed by Will Bychowski, Solon Mills.

Roger Hagl, Antioch, took the first 10-lap sportsman-class heat in maintaining a 46.01 mph average. Pete Madson, Kenosha, averaged 46.28 mph in winning the second 10-lap heat in this classification.

More than 3500 racing fans viewed the events; total purses were \$1850.

Frost Sets New Mark in Feature Race

Before a crowd of 3,100 persons, Jack Frost, of Zion, captured his second feature race of the current season Sunday at the Midwest Speedway in Waukegan, and set a new track record in so doing. His average speed of 50.68 mph erases the former mark of 50.59 set by the Wisconsin ace, Miles Mellus last year. Frost's machine is the same one in which Mellus set the former record. Frost purchased Mellus' car after Mellus set the record in winning the last event of the season in 1980.

Darv Nissen, Zion, led the main event from the first to the half way point in the 25-lap run, when Frost took over for the remainder of the event. Nissen developed mechanical troubles and finished far back in the event.

The race for second spot was the most competitive among Gary Sheldon, of Beloit, Bob Ratajczyk, Ed Stillman and Greg Krieger, all of Milwaukee. The position changed hands but Sheldon held it the longest time. On the final lap, Krieger breezed by on the back stretch taking second ahead of Sheldon, Ratajczyk and Stillman in that order.

Deerfield's Bay Darnell captured the 15-lap semi feature that was stopped in the seventh lap by an accident. Gordon Gorman, of Libertyville, and Jim Gurtowski, of Mundelein, collided forcing Gurtowski into the concrete wall. The impact lifted the machine onto the wall and Gurtowski sailed some 40 feet atop the concrete. He was not injured. Darnell took the lead from Dick Vanderspool, Grayslake, on the restart lap and went on for the victory, averaging 49.13 mph.

The 12-lap feature was stopped when Jack Miller, of Gurnee, took a violent spill on the north turn. Ed Jones, of Waukegan, went on to win the event.

In the rough and tumble Miller brothers race, Bob Miller won the event after rolling over early in the event. Brother, Jack, who escaped from his roll-over in the amateur race unhurt, was knocked unconscious in a collision during the Miller event and the race had to be stopped to give him medical aid. He

Youth Collects No-Hitter Whiffs 12 in Little League

Mike Vanderzee pitched a no-hitter in a brilliant mound exhibition to give the Yanks a 6-1 win over the Pirates last week.

The win virtually assured the club of the championship in the Lakeland Little League. Vanderzee struck out 12.

The Pirates' lone run was scored on two walks and an error in the first inning. Vanderzee was in control from there on out.

The Yanks nailed down the championship in the Lakeland Little League last week when they topped the Cubs 17-6 in play at Twin Lakes.

Allie Luke, winning pitcher put in his licks at the plate with his ninth home run of the season. Timmy Lois belted a triple and a single.

Richard Cook uncorked two singles, and Bill Niederer sent out a long three-bagger to lead Yankee power at the plate.

Dean Antes had a perfect day at the plate with the Cubs with three for three, while David Schiltz lofted out a home run and a triple to pace the losers at the plate.

The Orioles whopped the slumping Pirates with a 5-0 shutout last week at Silver Lake. The Pirates, barely clinging to second in league standings, were weak at the plate and managed but three hits off Lynn Rittner. Rittner was in top form in striking out 10. He also

gave the Pirates a few lumps at the plate and rapped out a triple and a single to contribute his share.

Jimmy Lois hit safely three times for the winners.

The Braves came out on top over the White Sox 16-15 in a slugging delight at New Munster.

In a spurge of hits, Jeff Wheeler hit safely three times for the Braves, including two triples.

Gary Chapman and John Buccell each garnered two safeties and Bobby Dunford's single in the last of the sixth was the deciding factor.

Leading hitter for the Sox was Guy Flaschner with two singles to pair off his homer. Mike Thom and Larry Richter each collected two hits and Richard Rebeck belted a triple.

The Orioles waylaid the White Sox 13-11 at Fox River Park to strengthen their hold on third.

George Sobotka was the winning pitcher and contributed well at the plate with a triple and a single. Mike Brice collected two triples, Ronnie Bush a single and a triple, and Carl Schultz a double and a single to push the Orioles along to their win.

Guy Flaschner was top hitter for the Sox with two long home runs and a single. Ron Halbach, with a

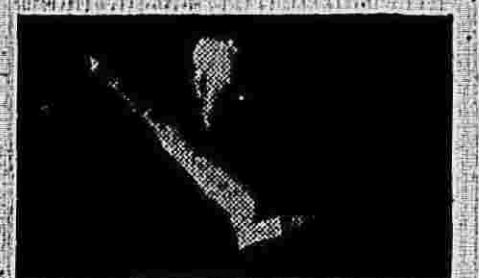

triple and single, Marty Miller with a double and single, and Richard Rebeck's triple kept the Sox in contention.

The Cubs beat the Braves for their second win of the year by a surprising 25-12 score at New Munster.

Four Cubs garnered three hits each—Tom Day, David Schiltz, Kevin Kerkman and Ronnie Schulz. Jeff and Harris Wheeler each collected three for the Braves and Greg Horbach added a homer.

Last week's standings:

	Won	Lost
Yankees	16	3
Pirates	13	6
Orioles	12	7
